

SHIP WITH CHAMPS

We are a third-party logistics provider delivering the best freight shipping services at volume-discounted pricing for businesses and single item shippers. Anyone can run free quotes, schedule pickups, track shipments and print paperwork online 24/7 with their account. We also offer affiliate partnerships and full-service managed logistics for retailers and large supply chains.

Designed to cut expenses and reduce the time it takes to shop around for the best quote, our website lets customers instantly compare competitive rates and services from 100+ reputable freight carriers. Since 1998, our friendly and professional agents have booked more than 1 million shipments worldwide.

A CUT ABOVE THE REST

- A smarter approach to freight shipping, FreightCenter delivers custom online freight quotes in seconds..
- Leverage our extensive carrier network to take advantage of competitive rates and quality services from some of the biggest names in the industry.
- Book online or by phone with a dedicated team of logistics professionals.
